

ABOUT THE STATE

HAPPENINGS OF INTEREST FROM DIFFERENT SECTIONS

A. F. Johnson, Jr., found his favorite driving horse dead in the pasture at Bradford last week, evidently the work of a stray bullet from some hunter.

Four newly married couples were at Hotel Low in Bradford last Wednesday, coming from Woodville, N. H., Wells River and Manchester, and each couple by chance chose that hotel on that particular day.

During a thunder shower Thursday evening, two barns on the John R. Kinney place in Bennington were struck by lightning and burned. The loss on the buildings and the products stored therein will be large, the insurance amounting to only \$500.

Just west of Old Bennington is the 88,000 acre patch of John Squires, containing 12 acres. Not an acre will yield less than 15 tons of cabbage and some will yield 20 tons to the acre. Mr. Squires has already sold two carloads at \$42.50 a ton, and expects to receive not less than that per ton for the remainder of his crop.

William Hall of Wilmington received injuries Tuesday which may develop into a fractured skull and his condition has been quite serious. He had been working on the road and was eating his dinner sitting beside the team while his horse ate from their feedbags. A passing automobile frightened the animals, and as Mr. Hall jumped for their heads they knocked him down, the blow on his head rendering him unconscious for a long time.

One hundred and thirty-three marriages were performed in the town of Rockingham during the month of September, and of these 128 were from outside the state. Justice O. M. George performed 48, Rev. J. W. Chesbro of the Baptist church, Rev. Seymour H. Smith of the Methodist church 21 each, Rev. A. C. Wilson of the Episcopal church 17, and the six other ministers and justices ten each or less.

A Ford car, driven by Mr. Kingsley of Monroe Bridge, Mass., ran into a bear in Whitingham a few nights ago. The bear, evidently blinded by the headlights from two cars approaching each other, was struck squarely by the Kingsley machine, which failed to kill the animal and by the time the car had been brought into the road again after the impact, Bruin was in the woods by the roadside.

W. W. Seymour of Lynn, Mass., a guest at the Valley house in Orleans, and George Porter, an Orleans mail clerk, were pinned beneath a Buick Six car, which turned turtle as they were coming down an Irasburg hill Thursday. Mr. Porter was scratched about the head and Mr. Seymour's side was injured, but worse injuries were prevented by the top being up, which rested on a bank as the machine turned over, leaving room for the men to crawl out. The car will have to have a new top and fenders, but otherwise was uninjured.

Harry Armstrong of Bellows Falls, the groom-to-be at the wedding of himself and Miss Ellen Brown of Walpole, N. H., failed to show up at the church Oct. 12, the date set for the ceremony, as the result of which Miss Brown has been very ill. Armstrong and his fiancée were a colored couple, but the latter has been very popular in Walpole and many invitations were sent out for the wedding, the guests arrived and everything was in readiness for the ceremony except the groom, who has not yet been located. No reason is known for his departure from Bellows Falls.

THE RED CROSS.

Noted Speakers at Annual Meeting of Vermont Chapter November 3.

The Vermont chapter of the American Red Cross has grown this year to 1,151 members, with several organized branches in different towns and cities of the state, and it is to be visited by two of the officials of the national headquarters, Col. J. R. Kean, medical corps, United States army, director-general of military relief and Edward A. Moore, director of the Atlantic division. Colonel Kean has been detailed from the medical corps of the regular army to head the military division of the American Red Cross. He directs all military relief to soldiers and sailors and is particularly at work organizing the military affairs of the Red Cross by means of Red Cross field columns and has hospitals, of which it is hoped Vermont will soon have one.

The annual meeting of the Vermont chapter will be held at Burlington on the afternoon and evening of Friday, November 3, at which Colonel Kean will give an address on his part of the present activity of the Red Cross.

The United States is divided into four geographical divisions for the conduct of Red Cross organization and relief, with experts in charge. E. M. Moore of New York is director in charge of the eastern or Atlantic division, and will speak at the annual meeting on the work of the division of which Vermont forms a part. The afternoon meeting will be given up to business and the election of officers and committees; and the evening session will be devoted to reports and addresses. An exhibit of army Red Cross field equipment will be shown by the hospital corps from Fort Ethan Allen under direction of Dr. F. E. Clark, medical reserve corps, United States army. The Nurses' association will furnish Red Cross nurses in uniform as the ushers for the meeting.

Dogs Kill 75 Sheep.

Bellows Falls, Oct. 23.—Senator Natt L. Divoll of Rockingham reported Saturday morning that recently dogs have killed more than 75 of his sheep. He had a flock of pure bred merinos, numbering more than 200.

Raise \$300 for Relief.

Brattleboro, Oct. 23.—The Woman's club made a canvass Saturday and raised more than \$300 for the relief of the people of Serbia and Armenia.

"Billy" Neil, who was considered an excellent football player on the Pennsylvania eleven, was declared ineligible to play on this season's team Thursday. He was considered one of the best men enrolled at Pennsylvania in many years. His home is in Walla Walla, Wash.

Saves Boy From Worms

Mrs. Jennie Bowen of Meredith, N. H., writes this kind letter: "You have helped my little boy. He would have been in his grave before long."

Some symptoms of worms are: Drenched stomach, swollen upper lip, sour stomach, offensive breath, hard and full belly with occasional gripings and pains about the navel, pale face of leaden tint, eyes heavy and dull, twitching eyelids, itching of the nose, itching of the throat, short dry cough, grinding of the teeth, little red spots sticking out on tongue, starting during sleep, slow fever.

If you have the least suspicion that your child is troubled with worms, get Dr. Tru's Worm Expeller. This remedy has been on the market for over 40 years. No better laxative made for young or old. At all dealers, 25c, 50c and \$1.00. Advice free.

FOUND NO EVIDENCE OF MURDER DONE

Body of Miss Rose Willets Exhumed at Gloversville, N. Y., and No Marks Other Than Pistol Wound Were Found.

Gloversville, N. Y., Oct. 23.—After an autopsy Saturday afternoon on the body of Miss Rose Willets, State's Attorney T. E. Hopkins of Burlington, Vt., declared he found no indication of foul play. Relatives had claimed she was murdered and was not a suicide.

The state's attorney said Drs. Stone and Whitney of the Vermont laboratory of hygiene would report on the autopsy soon, but he indicated that the suicide theory was substantiated.

The bullet entered the right temple and was found lodged in the left side of the head, taking a course indicating the revolver was fired by the right hand, despite the fact that the revolver was found on the left side of the body. No other marks of violence were found.

Attorney Hopkins will not officially announce his opinion until he has received the report from the physicians.

John Enwright, attorney for John Deyette, brother-in-law of the dead girl, was with the Vermont party, but was not present at the autopsy. George Willets, brother of the girl, was the only relative in attendance, but was not allowed to witness the autopsy. He refuses to make a statement until after the official report from the Vermont state's attorney.

Drs. R. J. Palmer, C. E. Pannaci and Health Officer A. L. Johnson represented the local district attorney's office and the Willets family at the autopsy.

WAS NOT GUILTY BECAUSE INSANE

George W. Duncan, Hotel Keeper of Rutland, Acquitted of Murder of His Wife.

Rutland, Oct. 23.—George W. Duncan, a hotel keeper of this city, who shot and killed his wife, Mrs. Melinda Duncan, on Aug. 5, was found not guilty of murder on the ground of insanity Saturday.

At the trial, which began two weeks ago, it developed that Duncan resented his wife's relations with another man and shot her at the home of friends where she had been living. He attempted to kill himself, but was prevented.

BAKERS MAY GO TO WILSON.

Embargo of Expiration of Wheat and Flour May Be Demanded.

Columbus, O., Oct. 23.—S. F. McDonald of Memphis, president of the National Association of Master Bakers, Saturday issued a statement, through a local official of the organization, stating that if the demand for such a committee should grow he would appoint a committee of representative bakers to go to Washington to ask President Wilson to place an embargo on the exportation of wheat and flour in an effort to solve the high cost of bread. The bakers contend that the high cost of flour is caused by the great export shipment of wheat to Europe. Friday they issued a statement showing that the high prices had forced a large number of bakers over the country into failure.

WOOD IDENTIFIED.

Bellows Falls People Say He Is Richard C. Isherwood.

Bellows Falls, Oct. 23.—Business men and clerks who had dealings with "Richard C. Wood," who is under \$1,000 bail in Concord, N. H., on charge of raising a money order, concur in the belief that the man who cut such a swath here on the night of his marriage to Miss Marion Knowles of Falmouth, Mass., is really Richard C. Isherwood. They were convinced of this after seeing the young man's picture.
